

# DEGREASER

## EXTREMELY POWERFUL, CONCENTRATED DEGREASING SPRAY

### STORAGE CONDITIONS

Keep in a cool, dark place in an upright position during storage or transportation.

### PRODUCT DESCRIPTION

Degreaser is an extremely powerful, concentrated degreasing spray for cleaning virtually all types of greasy surfaces.

### FIELD OF APPLICATION

Suitable for cleaning and degreasing many types of surfaces including tiles, glass, metals, and plastics.

Not suitable for perspex/plexiglass or painted or vulnerable surfaces.

### PROPERTIES

- Powerful
- Quick acting
- Suitable for many surfaces

### APPLICATION

#### Directions for use:

Rotate the spray head a quarter turn to ON. Spray undiluted onto the surface to be cleaned and allow it to work for a few seconds. Remove using a damp cloth or sponge. Rinse preferably with large amounts of hot water. Repeat this process if necessary. Rotate the spray head to OFF after use.

**Points of attention:** Before starting to clean, it is recommended to test the product on a small, hidden area. Do not use on perspex/plexiglass or painted or vulnerable surfaces.

### TECHNICAL SPECIFICATIONS

Colour:	Transparent
pH-value approx.:	10,5

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product. Nevertheless, our Service Department is always at your disposal for any advice needed.
