GRIFFON. THE CHOICE OF THE PRO.

QUALITY PRODUCTS FOR POOL PROFESSIONALS

With the new Griffon Pool range, you choose a complete assortment that meets the high standards in the professional pool industry. The trusted quality professionals have relied on for years is now smartly bundled into one recognizable line. Premium-grade solutions with proven performance, allowing you to focus on what you do best: building and maintaining pools that are perfect down to the last detail.

**PRO
QUALITY**
FOR 50+ YEARS

- ✓ COMPLETE ASSORTMENT
- ✓ PROVEN CONSTRUCTION, MAINTENANCE & REPAIR SOLUTIONS
- ✓ PRO QUALITY FOR 50+ YEARS

UNI-100®
Fast, thixotropic PVC cement for rigid pipes (max. Ø315 mm) in pressure pool systems up to 16 bar. Also approved for drinking water systems.

WDF-05®
Extremely fast, blue, thixotropic PVC cement for rigid and flexible pipes (max. Ø160mm) in pressure pool systems up to 16 bar. Also approved for drinking water systems.

FIBRE SEAL
High quality, impregnated, re-adjustable fibre-reinforced sealing tape for metal & plastic threaded connections. Immediately loadable up to 16 bar.

CLEAN & PRIME
For powerful cleaning, degreasing & priming pipes, sockets and fittings of (rigid) PVC, PVC-C and ABS.

EPOXY REPAIR STICK
Dual-component waterproof epoxy putty for permanent repairs and restoration of nearly all materials. Grinding, drilling, sawing possible after curing.

SKIMMER REPAIR
For repairing vertical/horizontal cracks up to 2 cm in skimmers or other ABS plastics without constructional work. Resistant to pool water treatments as chlorine, salt and ozone.

PLASTIC SEAL
Fast liquid seal for sealing conical and cylindrical synthetic threaded connections, up to 8 bar. Also for synthetic to metal connections. Adjustable within 5 minutes.

SUPER TRANSPARENT
Super-strong, crystal clear, pool liner adhesive based on polyurethane rubber, resins and solvents.

POOL LEAK SEALER
For repairing leaks or cracks up to 5 mm in concrete (tiles) and panel swimming pools, without the need to remove water.

AQUA MAX®
Chlorine & salt water resistant, UV resistant, solvent-free, mounting adhesive and sealant, based on premium Hybrid SMP-Technology.

AQUA MAX® INSTANT TACK
High quality solvent-free assembly adhesive, with very high initial bond strength (also on moist surfaces), based on SMP-Technology.

SILICONE GREASE
Silicone lubricant for protecting rubber seals, valves and O-rings in pool equipment.

SFT-101 REPAIR TAPE
Universal, self-fusing, UV resistant sealing and insulating repair tape. Immediately waterproof and pressure resistant up to 12 bar. Also applicable under water.
