Limited shelf life after opening.

PRODUCT DESCRIPTION

Sanitary Cleaner is an extremely powerful, concentrated spray for easy cleaning of bathrooms and toilets.

FIELD OF APPLICATION

Suitable for bathrooms, such as floors, shower partitions, tiles, shower heads, taps, shower cabinets, bathtubs, and sinks.

Including ceramic and glazed surfaces, glass, stainless steel, chrome, and plastic, except brick and stones such as marble.

Cleaning light limescale. Removing natural fats and soap residues.

Not suitable for natural stones such as marble. If using on enamelled metal, it is recommended to first test the product on a small, hidden area.

PROPERTIES

- Quick and simple
- Leaves a dazzling shine
- Fresh smell

APPLICATION

Directions for use:

Rotate the spray head a quarter turn to ON. Spray undiluted onto the surface to be cleaned and allow it to work for a few seconds. Remove using a damp cloth or sponge. Repeat this process if necessary. Rotate the spray head to OFF after use.

Points of attention: Before starting it is recommended to test the product on a small, unseen area.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product. Nevertheless, our Service Department is always at your disposal for any advice needed.
